

A RICH REWARD . . . Nothing is so satisfying as the enjoyment shown by children as they are served a cake baked by their mother. Here Mrs. Jack Hertel, today's guest cook, serves her cake to her three children from left, Karen, 11, Leland, 9, and Donna, 6.

Mrs. Jack Hertel Shares Three Favorite Recipes

With the tremendous growth in population in the Torrance area during the past few years, many young families have come here to make their homes. The Jack Hertel family, 26028 Crest Road is one of these typical new families.

They came to Torrance three years ago from the San Francisco Peninsula, specifically Los Altos. All five members of this family are native Californians.

In this household are three children, Karen 11, Leland 9, and Donna 6, all students at Hillside school.

Mrs. Hertel, who is today's guest cook in the HERALD'S Favorite Recipe column, is a Girl Scout leader and is active in the Hillside PTA. She also plays bridge with two clubs and is a member of the Beta Lambda chapter of Delta Chi

Sigma Sorority

Mr. Herter is a graduate of San Jose State college and is an engineer with Air Research Mfg. Co. in Los Angeles.

As a family, the Hertels are active in Cub Scouts and YMCA Indian Guides.

During the summer, they spend much time together on the beach and swimming.

Mrs. Hertel has chosen three of her family's favorite recipes and is a member of the Beta Lambda chapter of Delta Chi
